

AEROSPACE & DEFENCE SUPPLIER IDENTIFICATION DASHBOARD FOR INDIA (ADSID)

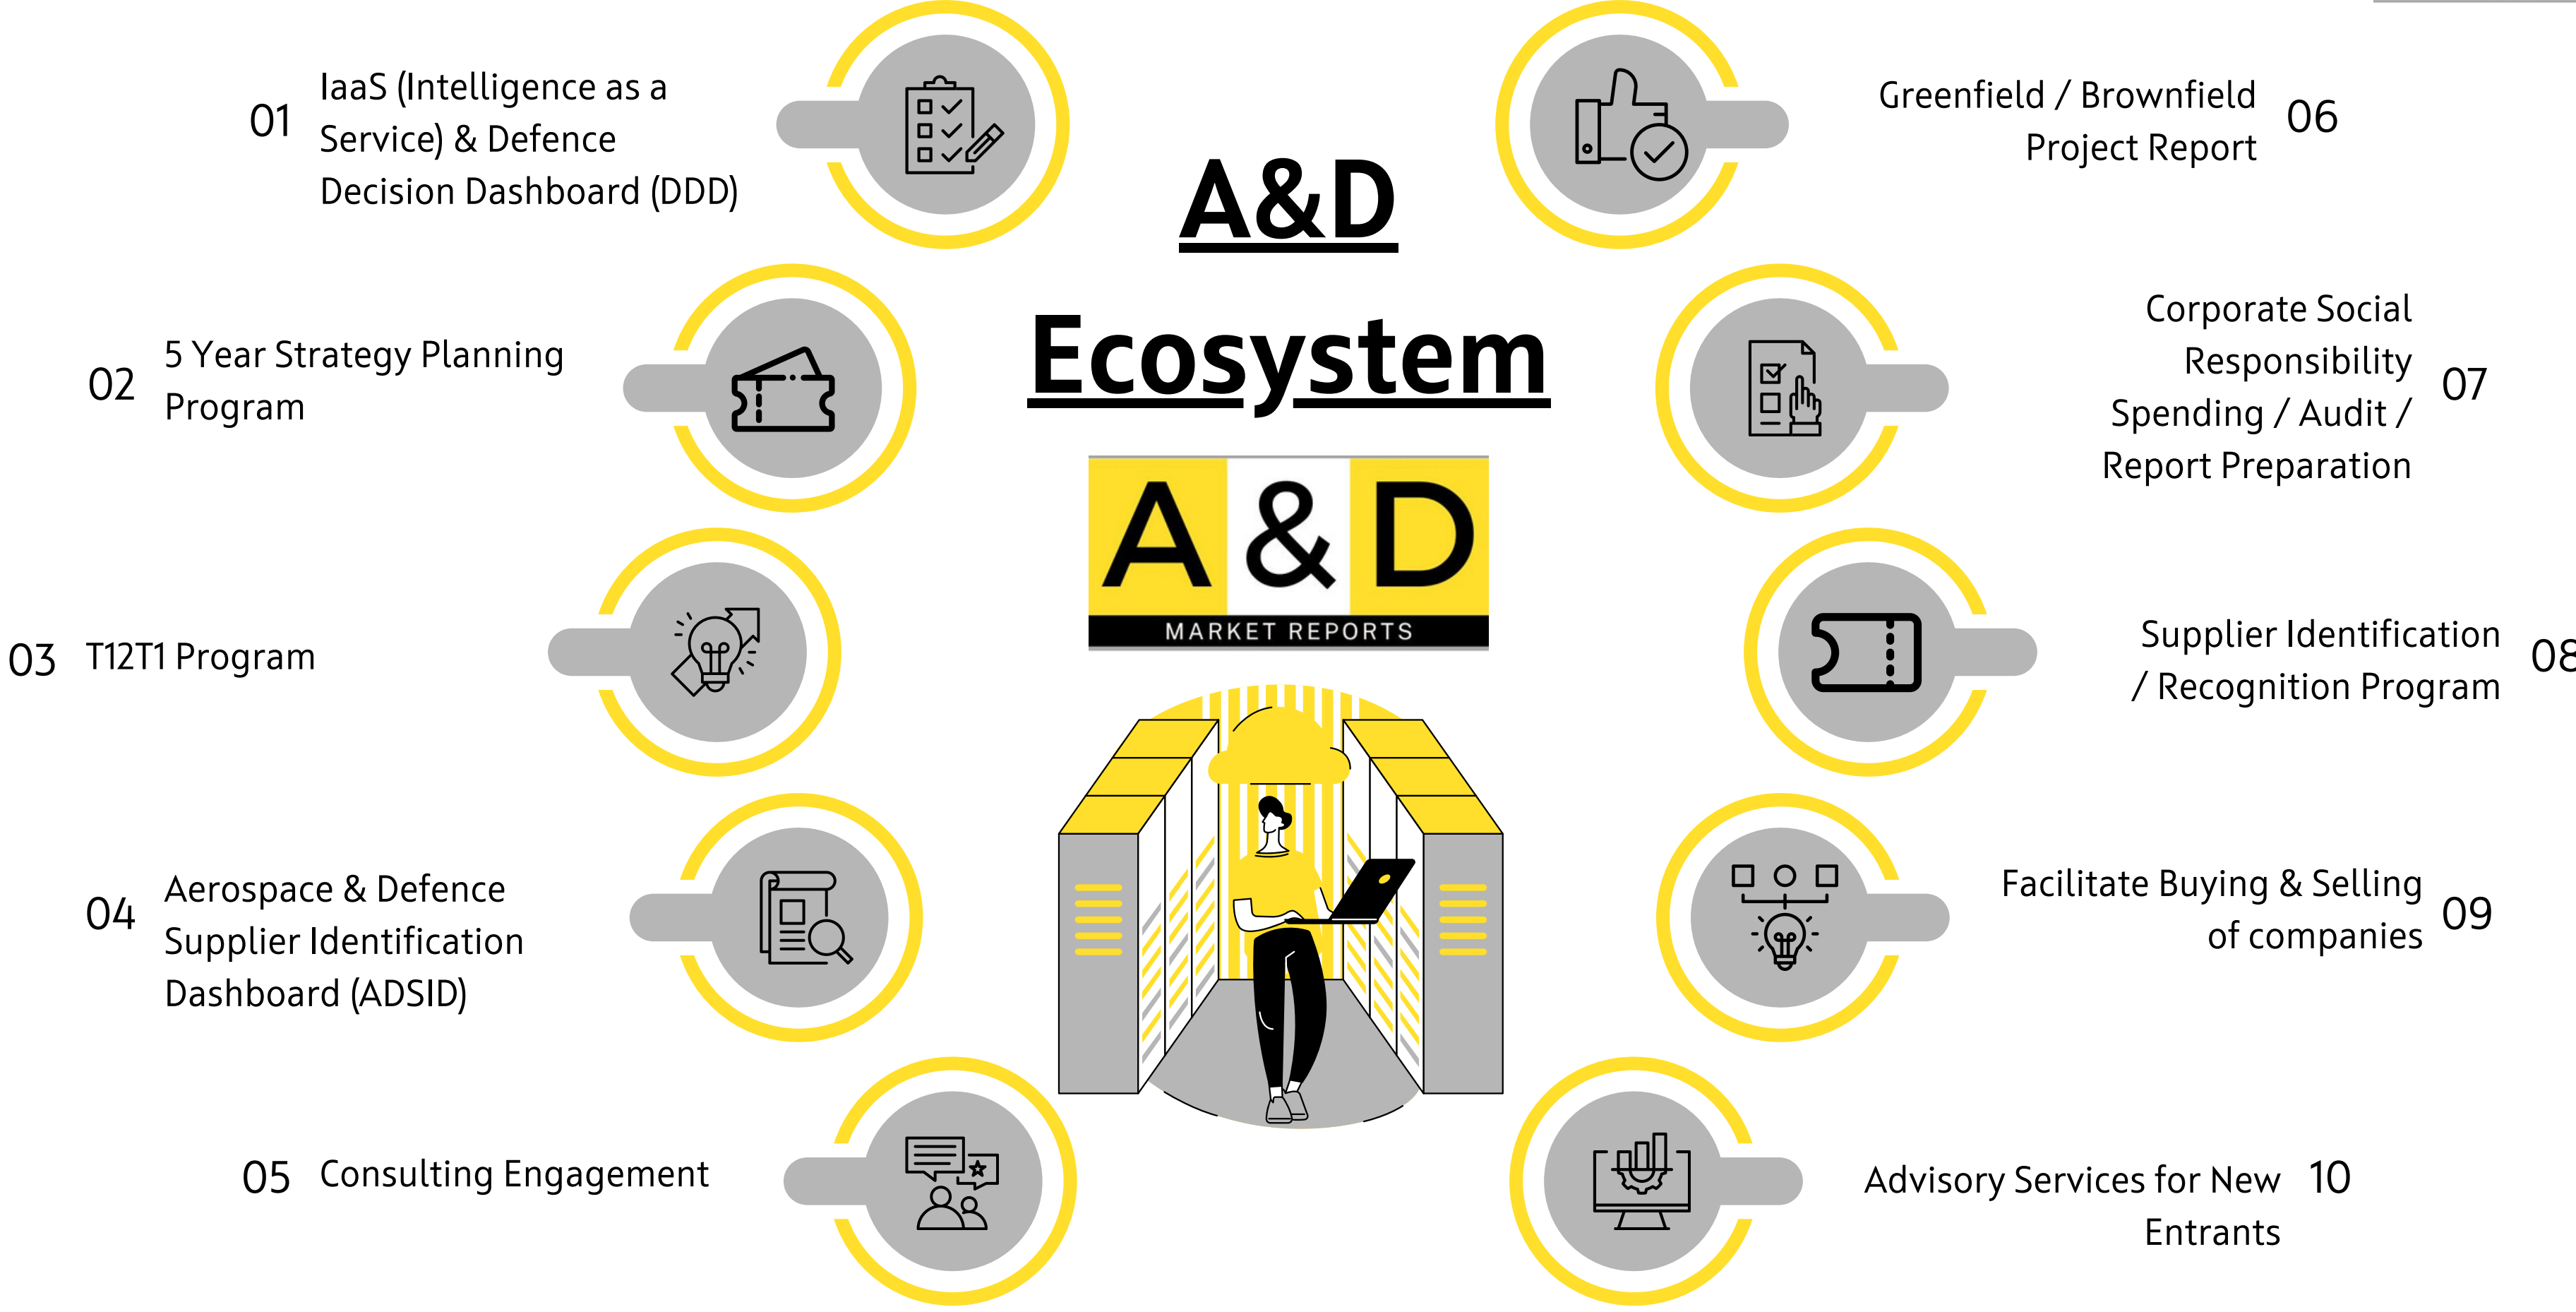

Connecting Indian A&D companies to the Global A&D Supply Chain

INITIATIVE BY A&D MARKET REPORTS

A&D Market Report Ecosystem

Aerospace & Defence Supplier Identification Dashboards (ADSID) function like a portal, providing streamlined access to Indian Defence Organizations and Foreign OEMs to connect to Indian Aerospace and Defence MSMEs. Ultimately, the supplier dashboard supports strategic sourcing, and operational efficiency, making it an essential tool for organizations seeking to maximize value and maintain a competitive edge in their supply chains.
